INTRODUCTION

The Caltech campus is a great place to learn, grow and work. Like any other community, a university campus has its share of injuries, accidents, and crimes. This handbook is a manual designed to inform you, as a member of the Caltech community, of the measures that you can take to maximize your personal safety and the security of your belongings. Please take the time to read this manual and save it for future reference.

IMPORTANT TELEPHONE NUMBERS

Emergencies: Police, Fire, and Paramedics

On-campus (24 hours)	5000
Off-campus housing (24 hours)	395-5000

Other Services

Security (Escorts, Reports)	4701
Campus Card Services	
Day time	6169
Evenings and Weekends (Temporary I.D. card)	4701
Facilities Service Center	
Day time	4717
Evenings and Weekends	6571
Safety Office	
(8:00 a.m. to 5:00 p.m., M-F)	6727
Staff/Faculty Consultation Center	
(9:00 a.m. to 5:00 p.m. M-F)	8360
After hours (records message)	395-8360
Equity and Title IX Office	3221
Title IX Coordinator	
http://equity.caltech.edu/	
Lost and Found	
Caltech Y	6163
Security	4701

For Students only:

Undergraduate Students

Associate Director of Undergrad Housing	
Daytime	6176
Evenings and Weekends	4701

IMPORTANT TELEPHONE NUMBERS

Student Housing Facilities Emergencies

Housing Office (8:00 a.m. to 5:00 p.m. M-F)	6175
--	------

Graduate Students

Graduate Office (days)	6346
Evenings and Weekends: Security Office	4701

Medical Assistance

Health Center (8:00 am to 5:00 PM M-F)	8331
Evenings and Weekends (Dr. Miller)	584-2421
Emergency On-campus	5000
Off-campus	395-5000

Psychiatric Assistance/ Counseling

Counseling Center (8:00 am to 5:00 PM M-F)	8331
Evenings and Weekends (Security)	4701
Student Consulting Program (Substance Abuse)	2961

EMERGENCY PROCEDURES

Emergency Communications Center

All emergencies that occur on the Caltech campus should be reported by calling "5000". Emergencies occurring at off-campus Caltech property should be reported by calling "626-395-5000." A Security officer will answer emergency calls on a 24-hour basis. The Center has a direct line to emergency services such as Police, Fire, and Paramedics.

Emergency Telephones

The Institute has thirty-one emergency telephones located throughout the campus. These telephones dial directly to Security. Each unit has self-explanatory operating instructions.

Mobile App – Everbridge 360

Everbridge's mobile app, "Everbridge360," will give you the ability to communicate via text and to send photographs of suspicious persons/events directly to Security Dispatch.

You can download the app now for [Apple](#) or [Google](#) devices. Please review ["Emergency Communications and Everbridge App Instructions"](#) for instructions on how to log into the app.

Evacuation Procedures

Be aware of the emergency exits in the buildings that you occupy. In the event of a fire or earthquake, do not use any elevators. Always use the stairs. For the specific evacuation procedures for your building, please contact the Emergency Management Services at emergencypreparedness@caltech.edu.

CAMPUS SECURITY AND PARKING SERVICES

Campus Security and Parking Services is located on the second floor of 515 S. Wilson Avenue. The entrance is at the rear of the building. Parking Office hours can be found on the parking website.

For Campus awareness and convenience, Security posts periodic bulletins, Campus Parking Regulations, and the Annual Security and Fire Safety Report on the web. To visit Security's web page, go to <http://www.security.caltech.edu/>.

Report Procedures

Report all incidents involving staff, faculty, students and Institute property to Security. Call 5000 on-campus, or 395-5000 off-campus, for emergency. Call extension 4701 for non-emergency situations.

Access Cards

Notify Security immediately if your access card is lost or stolen. Notification can be made by calling extension 4708 or by email to cardoffice@caltech.edu

For help with your card, or to replace a damaged or lost card, please open a ticket at <http://help.caltech.edu> or email cardoffice@caltech.edu.

CAMPUS SECURITY AND PARKING SERVICES

Parking on Campus

All vehicles parked in the Caltech lots must display a valid Caltech parking permit.

Staff, students, and faculty may purchase a parking permit by submitting a registration form to the Parking Office. Prices and additional information can be found at: <https://parking.caltech.edu/parking-info/parking-permits>.

Daily and weekly visitor passes can be purchased at the automated parking pay stations. Information about the pay stations can be found at: <https://parking.caltech.edu/parking-info/visitor-parking>.

The campus parking regulations can be found at: <https://parking.caltech.edu/parking-info/parking-regulations>.

The campus parking regulations are strictly enforced. Campus Security and Parking Services issues City of Pasadena parking citations in accordance with the California Vehicle Code section 21113 a. A parking citation can be appealed through the City of Pasadena website at: <https://www.cityofpasadena.net/transportation/parking-info/pay-contest-citation/>

City Of Pasadena Parking Regulations

The City of Pasadena has an "Overnight Parking Ordinance." The ordinance prohibits parking on city streets between the hours of 2:00 a.m. and 6:00 a.m., except by permit. Permits are available, for a fee, through Municipal Services at City Hall, 100 North Garfield Avenue, Room 121. The city streets surrounding the Institute are subject to citation for this violation. The streets include Wilson Avenue, Del Mar Blvd., Hill Ave., California Blvd., and Catalina Ave.

SECURITY AND SAFETY

Personal Safety

There are no guarantees of personal safety in any environment. It is incumbent upon each individual to safeguard himself or herself against becoming the victim of a crime. One of the best ways to maximize your safety and minimize your risk is to follow some very simple security rules.

- Walk with a friend whenever possible.
- Always be aware of your surroundings and the people around you, no matter whether it is day or night.
- Use well-lighted, well-traveled routes. Avoid dark, vacant or deserted areas.
- Walk with confidence. Show that you are aware and in control. Body language works.
- Trust your instincts. If someone or something makes you feel uneasy, get out or get away.
- Move to a well-lighted and populated area or building, such as a store or restaurant, if you feel you are being followed, and call for assistance.
- Know where the emergency telephones are located on campus (See the map).
- If you are on campus after hours, stay alert.
 - Lock office or lab doors.
 - Call Security if you see or hear anything suspicious.
 - Tell a friend, colleague or Security where you are and when you plan to leave.
 - Arrange to meet a friend or request an escort from Security when you leave.

SECURITY AND SAFETY

When you are out by car, park in well-lit areas. Avoid parking in secluded parts of a parking lot. Stick to high traffic areas.

When out shopping, don't carry large bundles or packages. It distracts you from your surroundings and makes you a potential target for a thief.

Safety at Home

- Keep all doors and windows locked at all times, if possible, even when home.
- Always lock the doors and windows when you leave, even if it is only for a short time.
- Keep your house keys and car keys on separate key chains. Do not attach your address to your key chain.
- Do not lend your keys to anyone you do not know well or trust.
- Never open the door to a stranger, even one who says that they are a service person. Ask for identification. Do not rely on a chain lock to prevent entry. It is insufficient protection.
- If a stranger comes to your door and asks to use the telephone, do not open the door or let them in. Offer to place the call for them.
- Know your neighbors. A neighbor can watch out for your residence while you are away, and you can do the same for them.

SECURITY AND SAFETY

Don't leave our wallet, purse, checkbook, cash, or jewelry in open view. Keep them locked away or in a drawer or cabinet.

Engrave your ID number or driver's license number, including the state, on any valuable property such as a stereo, television, camera, laptop computer, etc. You may borrow an engraving tool from Security or from the Housing Office.

Hang up immediately on any harassing or obscene phone call. Report the incident to Security.

Student Residences

Always lock your door when you leave, even for brief periods of time.

Secure your belongings, such as laptop computers, backpacks, calculators, etc. Do not leave them unattended in a common area such as a hallway, library, lounge, etc.

Do not allow strangers to enter your room or apartment unless they are properly identified. If a stranger does enter your room or apartment, ask them to leave. If they refuse, create a commotion and leave quickly. ***Notify Security immediately.***

Don't leave your wallet, purse, checkbook, cash or jewelry in open view. Keep them locked away or in a drawer or cabinet.

If you see a suspicious person or something suspicious call Security. On campus call ext. 5000; off-campus call 395-5000.

Office and Laboratories

Don't leave your wallet, purse, checkbook, cash or jewelry in open view. Keep them locked away or in a drawer or cabinet.

SECURITY AND SAFETY

Always lock the office or lab door when you leave, even for brief periods of time.

If you see a suspicious person, or something suspicious, call Security.

ATM Safety

There are two ATMS on the Caltech campus. One is located on the west side of Chandler Dining. The second ATM can be accessed during business hours in the east lobby of the Keith Spalding Building.

These are safety tips for using this ATM or any ATM.

Have your card ready when you approach the ATM.

Stand back from the ATM to allow some privacy for a person using the ATM when you arrive.

Stand directly in front of the ATM when using it so that no one sees you enter your PIN.

Memorize your PIN. Do not write it on your ATM card or carry it in your wallet.

When making a deposit, have the deposit ready for insertion into the ATM. Fill out the paperwork before you arrive to make the transaction.

Be alert. Do not use the ATM if you notice anything suspicious. If you have already started your transaction, cancel it, secure your card, and leave. Act as if you cannot get money from the machine.

After the transaction, pocket your card and the money. Never walk away counting your money.

Keep your account information confidential. Always take your card and receipt with you.

SECURITY AND SAFETY

Protect Your Car

Always lock your car and take the keys, even if you are only stopping for a couple of minutes.

Make sure the windows are closed.

Park your car in a well-lighted, well-traveled area whenever possible.

Consider installing an anti-theft device in your vehicle such as:

- A car alarm that is activated when someone tampers with the car
- A steering locking device
- A secondary "kill switch" shutting off the ignition or fuel line
- A vehicle tracking system that will assist the police in finding your car if it is stolen

Protect Your Bike

Always lock your bike to a secure object, even if you are only stopping for a couple of minutes. Secure your bike through both the frame and wheel.

The best security lock is the U-lock. Chains and cables can be easily defeated with bolt cutters.

Park your bike in a well-lighted, well-traveled area.

Record the serial number of the bike and keep it in a safe place. Also mark the bike with your driver's license number.

Register the bike with Campus Security and Parking Services.

RECENT CHANGES TO THE MAP

* 255 South Hill Avenue has been converted to the Office of Student Experience (Bldg 390)

* 1245 Arden Road is now the Student Wellness Services North (Building 308)

* The Central Connector for Moore Walk was completed in June 2023

* Bldg 24 has been renamed as "Ronald and Maxine Linde Laboratory for Global Environmental Science"

* Bldg 32 has been renamed as "Caltech Hall"

* Bldg 52 has been renamed as "Lee F. Browne Dining Hall"

*Bldg 55 has been renamed as "Grant D. Venerable House"

* The Ginsburg Center for Quantum Precision Measurement (GCQPM) will be starting construction on campus in early 2024 (bldg 36)
