

Caltech Campus Security and Parking Services

# NEWSLETTER

Campus Security, in partnership with Student Affairs, Environmental Health & Safety, and Facilities Operations, invites you to the

## Night Safety Walk

Wednesday, March 4  
5:30p.m.

At Chen Institute : Room 130

Join us as we walk across campus and identify areas where safety and security can be improved.

**You're invited!** Caltech Security would like to invite you to our Night Safety Walk. The focus of this event is to strengthen the community's awareness and confidence regarding nighttime safety. This walk will consist of student and staff joining members of Security on an exploration of campus, after dark, to identify potential infrastructure concerns and discuss any general safety questions that come up along the way. Lets make campus safer, together!

A light dinner will be provided. Please wear weather appropriate clothes and comfortable shoes.

#### Parking Updates

The Holliston Parking Structure (Structure #4) will be closed for cleaning on Saturday and Sunday, March 14th and 15th. All vehicles must be removed from this parking structure by 8:00 pm on Friday, March 13th. Vehicles remaining in the structure may be subject to tow at the owner's expense.

#### Card Office Hours

CES(Central Engineering Services), Room 105

Monday 8AM-5PM  
Tuesday 8AM-5PM  
Wednesday 8AM-3PM  
Thursday 8AM-5PM  
Friday 8AM-5PM

#### Notice tailgating behavior?

It may seem like a kind gesture to hold the door open for someone or allow them to follow you into a residence hall after you've accessed it with your UID card – but this practice, often called "tailgating," can create serious safety risks for everyone in the building.

#### What you can do:

- Always use your UID card – never allow others to enter on your access.
- Politely direct anyone without a card to Security or the Card Office for proper access credentials.
- Never feel pressured to let someone in, even if they appear to belong there.
- Report suspicious activity to Security immediately.
- Report individuals who "tailgate" or enter secure buildings and restricted areas without keys or the proper credentials by slipping in behind someone else.
- Do not prop open exterior doors.

Trust your instincts. If someone or something makes you feel uneasy, get out or get away and call Security immediately. If you are on campus and need emergency help, call x5000 or use your Everbridge 360 app. If you are off campus or calling from a cell phone, call (626) 395-5000 or dial 911.

Heighten your security awareness and remain vigilant and aware of your surroundings. Whether you're at work, at home, or out-and-about, be alert to and report suspicious activity. Know your surroundings and who or what should or shouldn't be there. If you see something suspicious, report it immediately. Don't make judgments about what may or may not be a serious situation and don't assume that someone else has called Security.

Safety and security is a shared responsibility. A moment of awareness can prevent a serious incident. Protect yourself, protect your neighbors, and **don't let tailgating happen on your watch.**

**Always remember: if you see something, say something! Report suspicious persons or activity to Campus Security at 626-395-4701.**
